

Performance. Design.

Rotary Garlic Slicer

The Tovolo Rotary Garlic Slicer takes the work out of creating perfectly even slices of garlic. The sharp durable Stainless Steel blades cut beautiful, consistent garlic slices every time, no matter how much garlic your recipe calls for. The Garlic Slicer is easy to clean up as it is to use. The handle is removable and the entire slicer is completely dishwasher safe.

- Perfectly sliced garlic every time, consistently sliced garlic to evenly season you dish
- Handle and barrel are removable and entirely dishwasher safe for easy clean up
- Stainless Steel blades will stay sharp use after use

Rotary Garlic Slicer: ICI# 80-14003 UPC# 874376000748

Dripless Baster

This unique baster has a valve to keep juices from dripping so you have complete control – No more holding the baster with the tip up until you are ready to release the juice.

- The specially designed tip keeps juices from dripping out until you release them with a gentle squeeze of the bulb.
- Bulb is durable and designed to fit comfortably in the palm of the hand
- Baster tip is removable for thorough cleaning
- Entire baster is dishwasher safe

Dripless Valve

Clear Dripless Baster
